

Love & Kindness Surrogacy

2020 ESTIMATED COST SHEET

All the items listed below are approximate estimations. If you need any additional services or items, Love & Kindness will only ask you to reimburse the actual costs of each item, as opposed to charging you a flat fee. This is the best way to minimize your spending and save you money (a 20% minimum saving compared to some other surrogacy agencies).

Payment Schedule

The following is the schedule that intended parents are required to fund into the Escrow/Trust Account. Any unused funds will remain in the Escrow/Trust Account for future use.

Stage 1: After intended parents are successfully matched with an ideal surrogate candidate and signed the Agency Retainer with Love & Kindness -- **\$25,000**

Stage 2: After reaching legal clearance -- **\$40,000**

Stage 3: When a fetal heartbeat is confirmed by ultrasound (typically 6-8 weeks of gestational pregnancy) -- **\$35,000**

The account balance of the Escrow/Trust account shall not fall under \$10k at any given moment.

All remaining funds will be refunded six (6) months after the birth. A minimum of a six (6) month holding time is necessary to confirm all the medical expenses will have been paid by the time we return the funds to you.
